Docket No. MC2014-26

**NOTICE OF THE UNITED STATES POSTAL SERVICE OF  
FILING OF USPS-LR-MC2014-26/NP2**

(June 27, 2014)

The United States Postal Service hereby provides notice of filing the following material as part of the **nonpublic** annex in this proceeding. The material is associated with the Postal Service's response to Chairman's Information Request No. 1 (CHIR1), filed today, June 27, 2014:

**USPS-LR-MC2014-26/NP2**

**Nonpublic Responses to CHIR1**

The Postal Service believes that this material, which consists of unredacted responses to questions 2, 4, 5, 6, and 7 of CHIR1, is exempt from public disclosure, pursuant to 5 USC 552(b)(3) and 39 USC 410(c)(2), as commercial information that would not be publicly disclosed under good business practice. The materials contained in these responses are closely related to the cost and revenue information filed as part of USPS-LR-MC2014-26/NP1. The public release of these materials could cause financial harm to the Postal Service by giving potential competitors access to information that would allow them to target Postal Service customers by undercutting its prices for gift cards.

Accordingly, the Postal Service hereby incorporates by reference the application for nonpublic treatment filed on June 9, 2014.<sup>1</sup>

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorneys:
